I'm sorry, I said April 5<sup>th</sup>, but I meant April 6<sup>th</sup>. The calendar invite for April 6<sup>th</sup> is correct.

It looks like the winner is April 5<sup>th</sup> at 9am central, we can at least have key people from each federal agency. I will send out an invite.

**Subject:** 401(a)(2) Process Discussion

Hi all -

The previously suggested date of April 12 to have a 401(a)(2) process discussion is not going to work out. Rather than try to use the MPCA's regularly scheduled meetings with PolyMet, which have fairly full agendas, I think we should just schedule a separate conference call. I don't expect it to take more than an hour.

So I can schedule, please fill out this poll and we'll work out a date. I've only picked dates prior to the April 19<sup>th</sup> DNR permit to mine meeting, due to a desire to be sure we have complete information about permitting processes for that meeting.

Please share this link to others who should attend.

Thanks.

~Catherine
